- This is a ready market: none of the 126 sales over the past six months were off-plan, so prices reflect what owners are getting on resale.

About these figures. Every number comes from Dubai Land Department records for the DLD district Al Thanyah First: registered sales and Ejari rent contracts. We use medians, not averages, and clean out share transfers and data errors. DLD usually registers a sale a few weeks after it happens, so the newest weeks are always a little light.
