About these figures. Every number comes from Dubai Land Department records for the DLD district Jumeirah First: registered sales and Ejari rent contracts. We use medians, not averages, and clean out share transfers and data errors. DLD usually registers a sale a few weeks after it happens, so the newest weeks are always a little light. Data pulled 28 October 2026. You may quote these figures with credit to Yazdan Properties under CC BY 4.0. General information, not financial advice.
